POLICEMAN FALLS

IN RESCUING TWO

BABIES ARE NOT HURT.

May Also Gallantly Rescues Sick Woman, Nurse and Two Others.

Policeman Frank May of the East One Hundred and Fourth street station, s suffering to-day from injuries recoived in gallant rescues last night in a fire at No. 26 East One Hundred and Fourteenth street. He had rescued four grown-ups and was going down the fire escape with two children cling-ing to his neck when he lost his balance and fell from the third floor plat-form through the well to the second

The persons rescued were Jacob Petsky, his wife, Gertrude, Tessie Schriger and her two chilren, Gertrude and Frank, five and two years old, and Mrs. Hilda Indispector.

May saw smoke issuing from the front

basement windows and turned in an alarm. When he returned to the house, the hallways were filled with smoke He climbed the back fire escape and rapped on the apartment windows with nightstick. In a second floor apartment were Petsky and his wife. They were nearly overcome by the smoke when May dragged them to the window and carried them down the fire-escape to the first floor platform. He assisted other tenants as he again ascended. In an apartment on the fourth floor found Mrs. Schriger, who was ill. he found Mrs. Schriger, was and Mrs. Mrs. Indispector, her nurse and Mrs.

Schriger's two entidren.

May carried Mrs. Schriger and Mrs. Indispector down the fire-escape to the children. When he reached the platform opposite the third floor his feet allowed opposite the third floor his feet slipped on the top rung of the iron ladder and he fell. The children, who had been clinging to his neck, fell on the third floor platform and were not injured. May fell on his back on the second floor platform, his head striking heavily. Several tenants whom he had rescued hurried to aid him.

The tenants could not move the ex-The tenants could not move the extension ladder from Ls place on the
lower fire-escape platform. Flames and
smoke were issuing from the back basement windows, and the lives of those
on the first floor platform were endangered. May, who had somewhat recovered from his injury, was endeavoring
to assist the men, women and children
up the fire escape to the roof when firemen strived. A ladder was raised and
the patroluman and those he had rescued
were brought down.

FOLLOWS WIFE TO DEATH.
